DELAYED SCHOOL OPENINGS

In the event of inclement weather or emergency conditions, the Superintendent of Schools determines whether schools will be closed or if there will be a delayed opening of schools. If it is determined those conditions will improve sufficiently to allow for the arrival of staff and students, the Superintendent may authorize a one and one-half hour delay in the start of the school day. This alternative to closing schools permits a greater flexibility in meeting the 180-day minimum session requirement.

A delayed opening means the following:

1. Delayed Arrival Times are below and transportation will be provided later than normal pickup. Lunch will be served according to an abbreviated school schedule.
2. Staff, with the exception of Buildings and Grounds and custodial personnel, will report as soon after normal arrival time as possible, but no later than the delayed stating time noted below.
3. In the event of a delayed opening, you will be notified through our School Messenger system at the phone number(s) you have registered.
