

WE THE PEOPLE

In honor of **Dr. Martin Luther King's** dream to unite all people in this country, we invite 5th to 8th grade students to join together in a day of service!

Purpose: To bring together students from across Bergen County so that they may get to meet new peers and learn from one another. Students will be able to work together on multiple service minded projects. We hope to encourage discussions, friendships and to promote the understanding that their similarities are greater than their differences.

Location: Saddle Brook VFW - 44 Market Street, Saddle Brook

When: Monday January 15th, 2018. 12:30- 3:30 pm.

Lunch will be served.
