DELAYED SCHOOL OPENINGS

In the event of inclement weather or emergency conditions, the Superintendent of Schools determines whether schools will be closed or if there will be a delayed opening of schools.

If it is determined that conditions will improve sufficiently to allow for the arrival of staff and students, the Superintendent may authorize a delay in the start of the school day. This alternative to closing schools permits a greater flexibility in meeting the 180-day minimum session requirement.

A delayed opening means the following:

- The start time of classes will be determined by your school of attendance (see details below) and the transportation schedule will be adjusted accordingly by one and one-half hours earlier than normal pickup for Pre-K – 8 and two hours for High School. Lunch will be served according to an abbreviated school schedule.
- In the event of a delayed opening, you will be notified through our School Messenger system at the phone number(s) you have registered.
