EMERGENCY CLOSINGS, DELAYED OPENINGS, AND EARLY DISMISSALS

EMERGENCY CLOSINGS

When school must be closed because of threatening weather, the Superintendent of Schools will monitor weather conditions before 5:30 a.m. Appropriate school personnel will be notified of the decision to close schools by the Superintendent. Parents will be notified by phone through our School Messenger system at the phone number(s) they have registered. Notification will be posted on our District website at www.flboe.com.

DELAYED SCHOOL OPENINGS

In the event of inclement weather or emergency conditions, the Superintendent of Schools determines whether schools will be closed or if there will be a delayed opening of schools.

If it is determined that conditions will improve sufficiently to allow for the arrival of staff and students, the Superintendent may authorize a delay in the start of the school day. This alternative to closing schools permits a greater flexibility in meeting the 180-day minimum session requirement.

In the event of a delayed opening, you will be notified through our School Messenger system at the phone number(s) you have registered.
